TRIX®

Dear Märklin and Trix friends,

Märklin and Trix will both have a price increase effective October 20th, 2008.

To compensate for this price increase (we don't know yet how much it will be),

Märklin and Trix are offering a 2% discount on all items **in stock at this time** at the warehouse, ordered before October 15th.

I expect this sale to go fast, so please place your orders as soon as possible (who doesn't need more track or catenary?).

Looking forward to hearing from you!

Best regards,

Jan @ ToToTrains, LLC
